

## Unitemp Stock List May 2024

Model	Series	Options	Serial No	PO Number
ARG-0680-5-E	AR-rapid	400V AC, 3 phase, 50Hz, CE, R449A + R508A, Viewing window with ceiling light, Time signal terminals 8 contacts(English), Overcool protector, Standard CP removal right, Additional CP 100mm Position F2, Additional CP 150mm Position F3, CP rubber plug with slits 150mm x 2, CP rubber plug with slits 100mm x 2, Shelf & brackets x 3	4140000135	EEG-4341-01-01-B
ARG-1100-10-E	AR-rapid	400V, 3 phase, 50 Hz, CE, R449A+R508A, Viewing window, shelf x3, overcool protector, time signal terminals 8 contacts, standard cable port removal x2, 150mm cableport x2, 100mm cable port x6, cable port plug with slits 150mm x2, cable port plug with slits 100mm x2, cable port plug 150mm x1, cableport plug 100mm x4	4140000227	EEG-3732-01-03
ARL-0680-AE	AR-std	400V, 3 phase, 50 Hz, CE, NR R449A, Viewing window with ceiling light, Activation of Temperature change rate input and Multi step setting	4120520618	EEG-4483-01-01
ARS-0220-AE	AR-std	400V, 3 phase, 50 Hz, CE, R449A, Viewing window, Additional automatic drain function (software update), Cable port 100mm Position 3B on right side		EEG-5110-01-02
ARS-0390-AE	AR-std	400V, 3 phase, 50 Hz, CE, NR R449A, Viewing window with ceiling light, Additional automatic drain function (software update)		EEG-5140-01-01
ARS-0680-5-E	AR-rapid	400V, 3 phase, 50 Hz, CE;, NR R449A + R508A, Shelf & shelf brackets, Door with viewing window, continuous water supply with pressure-reducing valve, Specimen temperature control, non-insulated type, Activation of Temperature change rate input and Multi step setting	4140000237	EEG-4485-01-02
ARS-0680-5-E	AR-rapid	400V, 3 phase, 50 Hz, CE;, NR R449A + R508A, Shelf & shelf brackets, Door with viewing window, continuous water supply with pressure-reducing valve, Specimen temperature control, non-insulated type, Activation of Temperature change rate input and Multi step setting	4140000234	EEG-4490-01-02
ARS-0680-5-E	AR-rapid	400V AC, 3 phase, 50Hz, CE, R449A + R508A, VW with ceiling light, Shelf & brackets x 2, Overcool protector, Time signal terminals 8 contacts (English), Continuous water supply with pressure-reducing valve, Standard CP removal right, Additional CP 100mm Position F1, Additional CP 150mm Position F2 & F3, CP rubber plug with slits 150mm x 2, CP rubber plug with slits 100mm x 2, Factory acceptance test (IEC60068-2-30, IEC60068-2-38 K-09, IEC60068-2-14 Nb L-03)	4140000136	EEG-4341-02-01

ARS-0680-AE	AR-std	400V, 3 phase, 50 Hz, CE, NR R449A, Viewing window with ceiling light, Additional automatic drain function (software update)	4120520682	EEG-4766-01-01
ARS-1100-AE	AR-std	400 V AC, 3 phase, 50 Hz, CE marking, R449A, Viewing window, Additional automatic drain function (software update)	4120520675	EEG-4749-01-01
ARS-1100-AE	AR-std	400 V AC, 3 phase, 50 Hz, CE marking, R449A, Viewing window, Additional automatic drain function (software update)	4120520710	EEG-4902-01-01
ARS-1100-AE	AR-std	400 V AC, 3 phase, 50 Hz, CE marking, R449A, Viewing window, Additional automatic drain function (software update)		EEG-5150-01-01
ARS-1430-15	ARS-1430-15	Refrigerant R449A + R508A, CE marking, Inspection report, General export specification / export packing fee / language (English), Floor reinforcement up to 300 kg, shelf with shelf brackets, Specimen temperature control (non-insulated type), Activation of Temperature change rate input and Multi step setting, Door notch 100 x 100 mm (D x H)	3292003616	EEG-4457-01-01
LU-114	Light spec	230 V AC, 1 ph, 50, CE	1013005757	EEG-5024-01-01
PL-2J	Platinous	400V, 3 phase, 50 Hz, CE, NR R449A, Remove standard cable port; Cable port left side 100mm on the standard pos.; Shelf (stainless steel)& shelf brackets; Upper limit temperature +150		EEG-5139-01-01
SH-242	Benchtop	Voltage 230 V AC, 1 phase, 50 Hz, CE marking, R452A, Viewing Window; Switch for viewing window heater, Power plug C type Additional automatic drain function (software update)		EEG-5122-01-01
SH-642	Benchtop	Voltage 230 V AC, 1 phase, 50 Hz, CE, NR R449A, Power plug C type, viewing window, Additional automatic drain function (software update)		EEG-5086-01-01
SH-642	Benchtop	Voltage 230 V AC, 1 phase, 50 Hz, CE, NR R449A, Power plug C type, viewing window, Additional automatic drain function (software update)		EEG-5138-01-01
SH-642	Benchtop	230 V AC, 1 ph, 50, CE; NR R449A; Power plug C Type, Viewing Window Additional automatic drain function (software update)		EEG-5382-01-01
SH-662	Benchtop	230 V AC, 1 ph, 50, CE; viewing window, 180°C spec, Power cable incl. plug C type, R449A, Additional automatic drain function (software update)		EEG-5152-01-01
TSA-103ES-W	TSA	400 V,3 phase, 50 Hz, CE, R449A, flat cable port 65 x 125 with plug in hardness 15, casters, product /specimen temp monitor with trigger function; defrost free op	155003220	EEG-4540-01-01

TSA-203ES-W	TSA	AC400V AC 3ph,50Hz, CE R449A, Silicone plugs in hardness 15 for the flat cable port 65mmx 125mm, casters, Product/Specimen temperature monitor with trigger function, Flat cable port 65x125mm x2, Floor reinforcement 200kg, Defrost-free operation, Remove standart cable port Ø 50mm left with plug	155003504	EEG-4947-01-01
TSA-303EL-W	TSA	400V, 3 phase, 50 Hz, CE, Silicone plugs in hardness 15 for the flat cable port 65mmx 125mm, casters, Product/specimen temperature monitor with trigger function, Standard cable port removal 50mm, Flat cable port 65mmx125mm x2, Floor reinforcement 200kg, Defrost free operation, Ambient temperature exposure, Additional Hot Zone Heater, Additional cold zone accumulator (in total 3 pcs), Additional exhaust valve, R449A	155003201	EEG-4506-01-01
TSD-101-W	TSD	400V, 3 phase, 50 Hz, CE, NR R449A, Casters with leveling feet, Viewing window		EEG-5153-01-01
TSE-12-A	TSE	400V, 3 phase, 50 Hz, CE, R449A		EEG-5155-01-01
